## Puppets are fun!

The Valentinetti Puppet Museum is seeking information from puppeteers who are gearing up for a new season of live and in-person performances this summer and fall. Hopefully COVID will be behind us so that we can begin to plan for new performances. Send your performance resume to the Valentinetti Puppet Museum, 280 Fourth Street, Bremerton, WA 98337, Attention: Curator. Include any requirements, dates, etc. and a description of the play. We hope to rent performance space at the historic ROXY Theatre located next door to the museum.
